I don't think I've ever seen people complain and whine as much as they do on this site. I mean how many times is some kid going to ask Bijoy to put his videos back on Youtube?

The Vampii rules clearly state that you have to be 18 to use this site, or have your parent's permission. But it's obvious that a lot of you kids are like 12 years old cuz all you do is whine. STFU. Nobody wants to hear it, and it's annoying. No one is forcing you to watch the videos, or visit the site. Stop cluttering the videos (which were done amazingly) with stupid spam comments. Vampii Admins you should delete all the whiny posts. It's getting out of hand. I have no issues whatsoever watching the videos on this site, and that doesn't mean no one has issues, but fuck stop whining about it. If you have a problem complain to the Vampii admins (i think there's two of them), instead of wasting space on here begging Bijoy to put the video on youtube.

He's getting paid for it (as he rightly should) and I'm sure the last thing he wants to hear is all you whiny 10th graders complaining about dumb shit like how corny it is or how unfunny it is. Give the dude some credit along with the rest of the cast for their hard work. And shut the fuck up.
