I'm a little disappointed that I even have to make a post like this, but unfortunately I do. When you guys sign up to the site, you agree to our Terms of Service. One part of the terms of service is listed below:

AMERICAN MALU: American Malu is a film produced by Vampii.com in collaboration with Hit City Entertainment and as such all files, media, representations and other intellectual property are copyright Vampii.com and Hit City Entertainment. You may NOT download, reproduce, repost or distribute the video to anyone outside of Vampii.com without the expressed written permission of Vampii.com. Anyone who is found in violation of this will be sent a cease and desist notice and if the violation is not removed, legal action may be necessary in order to ensure that our property is protected.

It has come to our attention that American Malu 3, Part 1 has been uploaded to Youtube by a member of Vampii.com. This is a direct violation of our terms of service and is also a case of copyright infringement. No permission was given to anybody to reproduce, repost or distribute American Malu 3, on ANY other website.

The proper authorities have already been notified about the infringement but this is just a reminder to our members that you CANNOT redistribute the video to other sites without the expressed written permission of Vampii.com. To the member who did it, you're an idiot, so please don't do it again. To be honest, it's not worth it. You don't want to go to court over something that stupid, believe me.

The only people who have permission or will EVER be given permission to post, repost or redistribute American Malu 3 are [myself](#) , [Admin](#) , [Bijoy](#) and Hit City Entertainment. I hope I do not have to mention this again. Again, it is not worth it. So don't do it.
