I know I'm the most good looking guy on this site, and probably the most good looking Indian Mallu guy in the entire universe and Beverly Hills, but please.... Okay, I log onto this site maybe once every two weeks to write a blog and respond to any emails and now I'm really gonna have to make an official announcement to all the stupid girls on this site. LEAVE ME ALONE! STOP SENDING ME EMAILS TELLING ME YOU WANT TO GET TO KNOW ME, AND PICTURES OF YOU WITH YOUR UGLY HEAD TURNED TO THE SIDE WHILE YOU SNAP A PICTURE ON YOUR 2.0 mgpixel CAMERA PHONE!

I AM 28 YEARS OLD AND NOT INTERESTED IN DATING YOUR PRE-PUBESCENT HAIRY ASS.

No, I dont have FACEBOOK or MYSPACE and I am not interested in you asking me to send you a friend request. Every time I log into this site, there's atleast 20 emails from stupid 16 to 19 year old girls who think that I'm gonna date them. And stop writing me in stupid upper and lowercase alternating characters like this girl [-----] who wrote,:

HiYa!! LoLz oN yOuR bLoGz!! hOw oLd R u??? wHeRe iN wEsTcHesTeR dO yOu LiV??

How the fuck do you even write a whole email like that? I hope you put as much effort into studying.

And, [-----], are you fuckin serious???? You want me to date you but your parents cant know?? Get outta here you moron, grow up, or go date that kid Wilson from American Mallu.

And to [-----]: STOP SENDING ME YOUR DUMB FORWARDS AND HOROSCOPE LOVE MATCH SHIT!!!

And honestly, these idiotic love letters from the stupid girls on this site is worse than the humorous "Im gonna kiss your fuckin ass" emails I get from you short guys on this site. Seriously, what the fuck do you guys eat??? Why are all of you like 5 ft tall?? You're gonna tell me your gonna kick my ass.

In conclusion: UGLY UNDERAGED GIRLS LEAVE ME ALONE. AND TO THE BUTTPIRATES ON THIS SITE, YOU AINT EVER GONNA BEAT ME UP, SO STOP SENDING ME EMAILS.
